Professional

SUMMARY

UI/UX Designer and aspiring UI/UX Intern passionate about creating intuitive and user-centered digital experiences. Skilled in user research, wireframing, prototyping, and high-fidelity design using Figma. Strong understanding of usability principles, interaction design, and responsive systems. Eager to learn, grow, and contribute to real-world product design teams.

Built multiple end-to-end UX case studies, including dashboards, mobile apps, and e-commerce platforms, with a focus on improving user experience and engagement. Committed to continuously refining design thinking and execution while contributing meaningful solutions to product teams.

PORTFOLIO HIGHLIGHTS

Banking Dashboard UI

Designed a data-driven dashboard to improve information clarity and enhance user decision-making experience

- Conducted UX research, created wireframes, and delivered high-fidelity UI

Food Ordering Mobile App

Built a seamless ordering experience to optimize user flow and improve task completion rates

- Focused on usability, navigation, and visual consistency

E-commerce Website Concept

Designed a conversion-focused interface to enhance browsing experience and streamline checkout process

- Structured layout and hierarchy for better engagement

Design System Kit

Developed reusable components and style guidelines to ensure scalability and design consistency

- Built in Figma with focus on cross-platform consistency

EDUCATION

B.Sc Information Technology

C.P.A. College, Bodinayakanur

2021 – 2024

Higher Secondary (Computer Science)

2020 – 2021

CERTIFICATION

UI/UX Design Course

Dzinemakers UI/UX Studio

ACHIEVEMENTS

- Published UX case studies demonstrating end-to-end design process
- Designed user-centric mobile and web interfaces
- Built scalable design systems in Figma
- Practiced complete UX workflow independently - research to UI

UX METHODS

User Personas, Empathy Mapping, Journey Mapping, Information Architecture, Design Thinking, Affinity Mapping, Card Sorting, User Testing, Heuristic Evaluation
